

On occasion our pastors and staff are asked, "What does the church need?" Therefore, our staff and committees of Session have put together a "Wish List" of items needed by each ministry that were NOT covered by the 2009 Operating Budget (stewardship pledges). If you would like to honor an anniversary, a birthday, or the memory of a loved one, we offer the following "Wish List" of suggestions. If you are interested in funding one of these items as a gift to the church, please contact the person as noted under each section. Thank you!

Your Stewardship Committee
 Joe Hickey and Bob Crawford, Co-Moderators
